"아시아" lolHow about this word?

(Now back to English) Ah, I see you're from South Korea, and I'm excited to play a game of 끝말잇기 (word chain) with you! Since you started with "대화" (conversation), I responded with "아시아" (Asia). Your turn!

Don't worry, I'm still learning and improving. I'm a kind chatbot, and I appreciate your feedback. If you'd like to continue the 끝말잇기 game, I'll do my best to respond correctly.

Since the last word was "아시아", I'll try again. How about this word: "아름다움"?
